INTERIOR

Cockpit Dressing
Gloss & Satin

Sokaiya Shine

COCKPIT DRESSING GLOSS

100 ml / 500 ml / 5 l

A superior restoration and maintenance product manufactured exclusively for car detailers and automotive addicts. Exceptional water-based formula with balanced pH that is neutral to the surfaces and does not leave any parts feeling greasy or sticky. Prevents colour fading and deterioration of plastic parts thanks to UV filters. Antistatic additives minimize dirt or dust adhesion. Bubble gum scented dressing nourishes and restores plastic, rubber and vinyl trims to their original shine. Finishes dry to the touch and gives a gorgeous gleam. Lasts for weeks keeping interior clean and nourished.

Satin Smuggler

COCKPIT DRESSING SATIN

100 ml / 500 ml / 5 l

A superb restoration and maintenance product produced exclusively for car detailers and automotive aficionados. Outstanding water-based formula with balanced pH that is neutral to the surfaces and does not leave any parts feeling greasy or sticky. UV filters prevent plastic parts from colour fading and deterioration. Antistatic components reduce dirt or dust adhesion. Peach scented dressing nourishes and restores plastic, rubber and vinyl trims to their original satin appearance. Finishes dry to the touch and lasts for weeks keeping interior fresh and nourished.

TIRES & RIMS

Wheel Gel, Tire Dressing

Crimson Tide

WHEEL GEL

100 ml / 500 ml / 5 l

An original tire and rim cleaner developed for car detailers and automotive enthusiasts. Gel formula creates sticky, thick, and concentrated layer which goes the distance. Awesome solution for lifting, separating, and lubricating abrasive filth, road grime, dirt and contamination from wheels, tires, and brakes components. Gel lubricates brushes so rubbing or scrubbing will not hurt the wheels or other car parts. Balanced pH is neutral and ideal for cleaning any type of wheel finish: painted, polished metals, chrome, anodized, powder-coated, carbon fibre or glossy vinyl wraps. In contact with contaminants, Bad Boys Wheel Gel causes bleeding effect, so you can control the cleaning process even better.

Dark Warrior

TIRE DRESSING

100 ml / 500 ml / 5 l

An exclusive scentless restoration and maintenance product invented for car detailers and automotive cranks. Unique water-based formula with neutral pH is gentle to the surfaces. Finishes dry to the touch and gives a silky satin sheen that does not attract extra dirt or dust. Durable and weather proof properties serve as a shield against snow and moisture, high humidity and rain, as well as sun and high heat. Lasts for weeks keeping tires clean and nourished for longer.

EXTERIOR

Active Foam, Shampoo

Yeyo Bubbles

ACTIVE FOAM

100 ml / 500 ml / 5 l

A first class cherry scented product prepared for car detailers and automotive fanatics. Fabulous foaming properties allow you to cleanse the surface via touchless, two bucket, foam gun and foam cannon wash. Thick suds get rid of grime, dirt, build up, salt, mud, muck, and leave no residue. Neutral pH formula is tender with wax coatings and protection layers. Ideal as a pre-wash, leaves your ride smelling like awesome cherries.

Slicker Don

SHAMPOO

100 ml / 500 ml / 5 l

An authentic grape scented product designed for car detailers and automotive freaks. High foaming formula creates thick wash bubbles. The Shampoo's foam can penetrate hard-to-reach elements of the vehicle and surround every dirt particle, so it can be rinsed clean safely. The shampoo is versatile – cleans paint, glass, wheels or metal and at the same time protects wax and sealant coats. With Bad Boys it is easy to strip away heavy road grime, thick mud, tough dirt, dust, and stuck-on bugs. Extra slick solution prevents swirls and scratches while gliding over the surface. It leaves your ride smelling like fresh grapes.

FINISH

Quick Detailer

Quick Delincuente

QUICK DETAILER

100 ml / 500 ml / 5 l

A supreme product introduced especially for car detailers and automotive maniacs. Secures your paint work from negative effects of dirt, dust, debris, bird droppings, fingerprints and water spots. Brings life to any colour, enhances and magnifies the beauty of metallic paintwork. Creates a smooth stunning surface with a high gloss shine. The finish is bright, crisp, and reflects light, impressing any car enthusiast or car care professional. Leaves your ride with a pleasant and fresh scent.

CLEANER

APC

Dirt Enemy No. 1

APC

100 ml / 500 ml / 5 l

A genuine citrus scented all-purpose cleaner created for car detailers and automotive fans. Highly concentrated, with a balanced pH, our APC is absolutely safe and works on interior and exterior surfaces. Deeply penetrates and breaks down dirt, grime, grease, and tough stains caused by coffee, wine, pets, and food, even from sensitive materials. APC binds dirt creating a suspension that can be easily washed. Gently cleans carpets, upholstery, headliners, vinyl, leather, body, tires, undercarriages, engine bays, and more. Bad Boys APC leaves behind no chemical residue, colour, odour or caustic fumes. Causes no harm to the surfaces or the user.
